### UNSHAKABLE TRUST

We are living in a time when everything that can be shaken is being shaken (Hebrews 12:27,28). The nations, kingdoms, economies of the world are trembling with uncertainty. But God is not trembling, shaking, or debilitated in any way!

**"Character makes trust possible"** (John Maxwell, 21 Irrefutable Laws of Leadership)

Because God's character is absolutely impeccable, He cannot fail, He cannot lie, He's faithful unto a thousand generations, we can place our trust in Him without reservation! When we place our trust in someone like God, who's unshakable, our trust becomes "unshakable". Unshakable regardless as to what's going on with us or around us!

### NEW NAME, SAME CHURCH

On Sunday, November 1<sup>st</sup>, we officially changed our name to **Covenant Community Church!** We had a tremendous service, a packed out crowd, celebrating this defining moment in the history of our church. An article was in the Suffolk News Herald (Saturday, October 31st, 2009, [www.suffolknewsherald.com](http://www.suffolknewsherald.com)). **We're the same church, same vision, same mission, same people, same pastor, with a new name!**

### WRECKED AND HEALED!

Recently one of the teenagers in the church was involved in an automobile accident that was so bad the emergency personnel had to literally cut him out of the car. He was hospitalized, placed in intensive care, unconscious due to a head injury. He remained in this condition for several days. Word went out to CCC (Covenant Community Church) members and the saints went into "spiritual overdrive"! Praying, loving, visiting, and more! God heard the cry of His people as they gathered around this teen and his family. Today, this young man is walking, talking, with a 100% clean bill of health from the physician! **The Lord is still in the business of working miracles!**

### TEEN BREAKS RECORD

Devin Keel, voted Mr. Junior, runs cross country for his high school. Check this out! This guy is awesome! At a recent cross country meet, he set the record for his particular race, and while at another cross country meet that followed, he broke his own record! When you love God, He gives you ability to do things you otherwise could not do! He set a record, and then broke his own record! Thank God for the Daniels of our day! Teens who love God and refuse to compromise!

### CCC DELIVERS THANKSGIVING

Covenant Community Church delivers 100 baskets to the residents of Suffolk during this season of thankfulness. CCC is blessed to be a blessing!!

### CCC HEADS TO HAITI

In April 2010, a delegation team from CCC will travel to Haiti to be a blessing for a week. Please keep the team in prayer as they express God's love to the people of Haiti.
